

# THE Red Cathedral Contractors

## Promo 2 ✦

These 4 special new Workshop tiles allow you to perform more powerful actions every time you visit the Market.

**During setup**, starting with the last player and finishing with the first, each player chooses 1 of these tiles. If there are any extra tiles, they are returned to the bag.

**During the game**, instead of placing the tile you obtain normally when claiming a Cathedral section, you can discard the one you just obtained and

place your special Workshop tile. **The cost is not the usual cost:** instead, the cost is equal to the number of available spaces in your Workshop: if you have 6 empty spaces (i.e., you are going to place your first tile), it will cost you 6 Rubles to place it. If you have only 2 spaces free (i.e., you have already placed 4), it will cost you 2 Rubles, and so forth.

Obtain 1 Diamond. (Its function is the same as described in the Jeweler's Guild.)

Obtain 1 Material of your choice and 1 Ruble.

Activate the Market die of your choice.

Activate any 1 of the 4 Guilds as usual.
